Dear Timothy,

The Maine Forest Service received your NRPA Permit by Rule application on April 6, 2016 for the construction of one stream crossings across Caldwell Brook on your land in Sherman, Maine to access your woodland for future harvests. The Permit by Rule (PBR) form has been reviewed by the Maine Forest Service and was found to be complete.

The review of the Permit by Rule Application PBR 16006, by the Maine Forest Service, finds that your project, as outlined in the application, will meet the requirements for the Permit by Rule, Chapter 305, Section 10 for the planned construction of the stream crossings.

Please refer to the Permit by Rule standards for guidance to insure that the project meets or exceeds standards: <http://www.maine.gov/sos/cec/rules/06/096/096c305.doc>.

Please contact me if you have any questions.

Sincerely,
